Champions of record in any other country must be entered in this class.

SECTION 3. OFFICIAL AWARDS. Following the judging of breed classes as prescribed above, the following official awards as prescribed in this SECTION shall be made.

Except as provided below, no dog eligible to compete for any of these awards may be withheld from competition and any exhibitor withholding a dog in contravention of these rules shall be subject to disciplinary action by the Board of Governors. Competition at the group level in classes that do not carry championship points is optional. A dog may be excused by the Show Superintendent who shall make a notation in the judge's book stating the reason for the excuse.

(a) **WINNERS DOG.** In each breed there shall be one such award, and only those dogs which have been undefeated in the official breed classes as set forth in Section 2 above shall be eligible to compete for this award.

(b) **RESERVE WINNERS DOG.** In each breed there shall be one such award, and only those dogs which have been undefeated in the official breed classes (except by WINNERS DOG) shall be eligible to compete for this award.

(c) **WINNERS BITCH.** In each breed there shall be one such award, and only those bitches which have been undefeated in the official breed classes as set forth in Section 2 above shall be eligible to compete for this award.

(d) **RESERVE WINNERS BITCH.** In each breed there shall be one such award, and only those bitches which have been undefeated in the official breed classes (except by WINNERS BITCH) shall be eligible to compete for this award.

(e) **BEST OF BREED.** In each breed there shall be one BEST OF BREED award. Competition for this award shall be confined to (a) Bermuda Champions of Record; (b) Winners Dog and/or Winners Bitch; and (c) Dogs transferred from the official class(es) as provided in Chapter 11, Section 10. Bermuda Champions of Record that have been spayed or neutered and are 7 years of age or older on the day of the show may compete for Best of Breed.

(f) **BEST OF OPPOSITE SEX.** In any breed where the sex opposite to the BEST OF BREED is represented by one or more dogs in competition, there shall be a BEST OF OPPOSITE SEX award which shall be judged after BEST OF BREED has been awarded. Competition shall be limited to the sex opposite to BEST OF BREED and to those in that sex which have not been directly or indirectly defeated by a specimen of the same sex in any breed class or for any breed award at the show.

(g) **BEST OF WINNERS.** In each breed where both sexes are represented by WINNERS awards, there shall be one BEST OF WINNERS award. If the WINNERS DOG or WINNERS BITCH is awarded BEST OF BREED, it shall be automatically awarded BEST OF WINNERS; otherwise the WINNERS DOG and WINNERS BITCH shall be judged together for BEST OF WINNERS following the judging of BEST OF OPPOSITE SEX.

(h) **BEST PUPPY IN BREED.** To be eligible for this award, a puppy must have been entered in the Junior, Senior or 12 – 18 month Puppy Class. If Best of Breed is an eligible puppy, then it is automatically BEST PUPPY IN BREED. If Best of Breed is not an eligible puppy, then all eligible puppies in the breed which have not been defeated, directly or indirectly, at the show by any other eligible puppy shall be brought before the judge so that he may select the Best Puppy in that Breed.

(i) **GROUP AWARDS.** At championship shows (specialty shows excluded) there shall be group awards made in each of the seven groups. All dogs designated BEST OF BREED by the judge, as already set forth, except those excused by the Show Superintendent, must compete in the Group Class for which they are eligible; failure to do so will automatically cancel all awards and prizes won at that show by the dog withheld from competition and subject the exhibitor and/or agent responsible to disciplinary action by the Board of Governors. In the event that the owner of a dog designated BEST OF BREED fails to show the dog in the Group Class for which it is eligible, no other dog of the same breed may be allowed to compete. In each of the seven group classes the judge shall make awards of first, second, third, and fourth. Such awards are to be marked in the judge's book by the judge.

(j) **BEST PUPPY IN GROUP.** There shall be a selection of BEST PUPPY in each of the seven groups. The competition for this award shall be confined to those puppies which were awarded Best Puppy in Breed at the show. If Best in Group is an eligible puppy, then it shall automatically be BEST PUPPY IN GROUP. If Best in Group is not an eligible puppy, then the eligible puppy placed highest in the group shall remain in the ring and the puppies declared Best Puppies in the breeds placed higher in the group than the said puppy, shall be brought into the ring, and from these puppies the judge shall select Best Puppy in the Group.

(k) After each group award has been made, the judge will select the best of each unofficial class in each group if provision has been made for such in the premium list. Best Brace and Best Team shall be judged immediately before Best in Show.

(l) **BEST IN SHOW.** The seven dogs placed first in the respective groups shall then compete for the award of BEST IN SHOW. Such award shall automatically make this dog the winner of all official or unofficial classes for which it is eligible. All dogs, except those excused by the Show Superintendent, must compete for this award if placed first in their respective group. Failure to do so will automatically cancel all awards and prizes won at that show by the dog withheld from competition, and the exhibitor and/or agent responsible will be subject to disciplinary action by the Board of Governors.

(m) **RESERVE BEST IN SHOW.** Immediately following the award of Best in Show, the judge shall award RESERVE BEST IN SHOW to one of the six remaining group winners present in the ring.

(n) **BEST PUPPY IN SHOW.** There shall be an award of BEST PUPPY IN SHOW. The competition for this award shall be confined to those puppies which were awarded Best Puppy in Group at the show.

These points shall not be in addition to, but inclusive of, the points previously won in the breed. The best dog in show shall be awarded the highest point rating of the show. The maximum number of points awarded in any one show shall be 5. Points are based on the number of dogs present.

SECTION 3. A judge shall not judge any dogs he has owned, conditioned, handled, sold, held under lease or boarded within six months prior to the date of the show at which he officiates as a judge. This rule shall apply regardless of whether the judge benefited in any way from any of the aforementioned activities. It is the joint responsibility of the judge and of the owner of the dog to see that this rule is not violated. The judge shall excuse the dog entered in violation of this rule from the judging ring, and shall indicate in the judge's book why such action has been taken. The judge's notation shall be endorsed by the Show Superintendent.

SECTION 4. A judge shall not judge any dog owned, outright or jointly, by any person for whom he has handled a dog, whether for pay or not, within six months previous to the show at which he is to judge. Where a judge is aware that a violation to this rule is taking place, he shall excuse the dog entered in violation of this rule from the judging ring, and shall indicate in the judge's book why such action has been taken. The judge's notation shall be endorsed by the Show Superintendent.

SECTION 5. The Board of Governors shall be empowered to stipulate the qualifications for judging Best in Show and other special awards.

Chapter 9

Selection and Approval of Judges

SECTION 1.

(a) A club that has been granted permission by The Bermuda Kennel Club to hold a show, must make application on forms provided by The Bermuda Kennel Club for approval of the judges selected to officiate, together with their specific assignments, at least one month before the show dates.

(b) If the Board of Governors (or such sub-committee as may be empowered to approve such applications) is not prepared to approve a person selected as judge, or is not prepared to approve the entire assignment a person has been scheduled to judge, the club must, within three weeks thereafter, select and submit to The Bermuda Kennel Club the name or names of alternative persons to judge the breeds, groups and awards for assignments not previously approved.

(c) The show giving club must not advertise or publish the name or names of any of the judges it has selected until the complete list of judges has been approved.

SECTION 2. The Show Secretary or Club Secretary shall, in every instance, notify the appointed judges of the breeds and group classes which they have been approved to judge. Such notification shall be given before the publication of the premium list.

SECTION 3. No change may be made in the judging schedule without the written approval of both the judge and The Bermuda Kennel Club.

SECTION 4. The Bermuda Kennel Club will not approve as judge for any given show the Superintendent, Show Secretary or Show Veterinarians, and such persons cannot officiate or judge at such shows under any circumstances.

SECTION 5.

A judge may not give an award to any dog that has been spayed or neutered unless the dog is competing in the:

- i) Best of Breed competition, and it is a Bermuda champion of record aged 7 years or older,
- ii) Veterans class,
- iii) Spayed and Neutered class,
- iv) Junior Showmanship competition.

SECTION 6. A show giving club which is informed at any time prior to a week before the opening day of its show that an advertised judge will not fulfill his assignment to judge shall obtain a substitute judge who must be approved by The Bermuda Kennel Club. Notice of the name of the substitute judge must be given to all those who have entered dogs in the classes allotted to be judged by the advertised judge. All those who have entered dogs to be shown under the advertised judge shall be permitted to withdraw their entries at any time prior to the opening day of the show and the entry fees paid for entering these dogs shall be refunded. Since an entry can be made only under a breed judge, changes in Group or Best in Show assignments do not entitle an exhibitor to a refund.

If a show giving club is informed at any time within a week of the opening of its show of a judge's inability to judge, or if an advertised judge shall not be present or shall be unable to judge his appointed breed or breeds at any given show after the show has opened, the show giving club shall provide a substitute judge in his place. In that event the owners of dogs to be judged by the substitute judge may refuse to bring their dogs into the ring for competition and may withdraw them from the show but shall not be entitled to a return of the entry fees paid for entering the dog at that show.

SECTION 7. Where an advertised judge shall have judged part of the classes of a breed and then finds it impossible to finish, a substitute judge shall be selected by the show committee, and in that event the awards made by the original judge shall stand, and his substitute shall judge only the remaining classes and awards. No dog entered under the originally selected judge shall be withheld from competition if it has already been passed upon by the advertised judge. However, any dog which has yet to appear in the ring may be withdrawn from competition though the entry fee will remain the property of the show giving club.

SECTION 8. A substitute judge shall finish the judging of the Breed or Group classes he is judging if he has begun to judge before the advertised judge arrives at the show.

SECTION 9. Only one judge may officiate as judge of a Group or Best in Show. However, should there be a special award for the Overall Best Dog in a series of shows, the judges may be asked to make a joint decision for this award as described in Section 10.

SECTION 10. Should a show giving club offer a special award for the Overall Best Dog in a series of shows, the club may call upon the advertised judges to make a joint decision as to which dog should be the recipient of this award. The judging of the Overall Best Dog shall take place in the ring at the conclusion of the last show in the series. The eligible dogs are those dogs that have been awarded Best In Show during the series of shows. This special award may be given provided that it has been mentioned in the Premium List and on the judging schedule.

Chapter 10 Premium Lists

SECTION 1. The awards at a dog show will be officially recorded by The Bermuda Kennel Club only if the certification of the Secretary of The Bermuda Kennel Club (or the Chairman of such subcommittee as may be empowered by the Board of Governors to grant dates) is published on the first page of the premium list stating that permission has been granted for the dog show to be held under Bermuda Kennel Club rules.

SECTION 2. A standard Premium List and Entry Forms of an approved size and form as authorized by the Board of Governors must be published by all clubs holding shows under these Rules. The premium list shall include information as to breed classification, a complete list of all prizes offered for competition at the show, the names of the judges and their assignments, the names of the Show Superintendent, the Show Secretary and the Show Veterinarians, and the date on which the entries for the show shall close. Separate closing dates for entries in obedience trials shall be allowed when held in conjunction with dog shows.

SECTION 3. Two copies of the premium list and entry form must be sent to The Bermuda Kennel Club at the time of distribution to prospective exhibitors.

SECTION 4. No prizes may be accepted or offered by any show giving club unless they have been published in the premium list of the show, nor may any prizes be withdrawn or the conditions thereof changed after they have been published in the Premium List.

Chapter 11 Entries and Entry Fees

SECTION 1. Every dog entered in a show held under these Rules must be registered with or eligible for registration with The Bermuda Kennel Club, and must be at least six months of age on the first day of the show. The following must appear on the entry forms: Name of breed; name of dog; sex; Bermuda Kennel Club registration number, if registered with The Bermuda Kennel Club, or foreign registration number; name of breeder; country of birth; date of birth, name of sire; name of dam; class or classes in which dog is entered; name and complete address of owner of the dog; signature of the owner or signature of his authorized agent; name of handler if the dog is not to be shown by owner or member of his immediate family. If the dog is being held under lease, the name of the lessee shall be given instead of the name of the registered owner. If the puppy class is divided by age, the age

classification must be clearly stated. If any part of the required information or signatures is not furnished, such failure may mean the cancellation of any awards or prizes earned at that show by the dog not properly entered as required by these Rules.

Every entry form must be signed by the owner or his authorized agent and be accompanied by the entry fee. No dog will be allowed in the show ring unless the entry fee has been paid in full, in the case of electronic entries, the entry forms must be signed by the owners or their authorized agents before the dog is allowed in the show ring.

The Board of Governors shall have the power to advise a person entering a dog at a show held under these Rules that he may no longer include in the name of a dog any name which, in the opinion of the Board, infringes upon the rights of any person, partnership or company whose kennel name has been registered with The Bermuda Kennel Club or where, in the opinion of the Board, such name is considered to be similar to a kennel name registered with any other national kennel club with which The Bermuda Kennel Club has an agreement with regard to mutual protection of registered kennel names.

Where a person has been advised that he may no longer include a particular name in the name of a dog and said person continues to enter a dog at shows held under these Rules with such name included, the Board shall have the power to cancel all awards, prizes, and championship points earned by the dog at shows held after the original advice was communicated to the owner of the dog.

SECTION 2. If a dog is not registered individually with The Bermuda Kennel Club, it may be entered at a show held under these Rules as a "listed" dog, provided that, if it is not born in Bermuda, it is eligible for individual registration with The Bermuda Kennel Club and it obtains a BKC registration number within ninety (90) days of the first show entered.

The entry of a "listed" dog at a show held under these rules (Sanctioned Matches excluded) must be accompanied by a listing fee as determined annually by the Board of Governors. All listing fees must be remitted by the show giving club to The Bermuda Kennel Club within ten days of the show.

The Bermuda Kennel Club shall have the right, at any time to require the owner of a "Listed" dog to submit proof of the dog's eligibility for registration. If the Board of Governors is satisfied that the dog is not eligible for registration, it shall have the right to order the cancellation of all wins, championship points, and prizes earned by the dog at shows held under these Rules. By failing to comply with the Board's order to return ribbons and/or prizes to the clubs concerned, the owner of the dog automatically renders himself ineligible to enter any dog in any competition approved by The Bermuda Kennel Club for such period as the Board of Governors may determine.

Any dog born in Bermuda, must have an individual dog registration number issued by The Bermuda Kennel Club before it can be entered in a show. Litter registration numbers are not acceptable.

A mixed breed dog may be entered in the show in order to compete in Junior Showmanship provided it is registered with the Bermuda Kennel Club Mixed Breed Register prior to close of entries.

SECTION 3. A dog that is lame may not compete at any show. It shall be the judge's responsibility to determine whether a dog is lame. He shall not obtain the opinion of the show veterinarian. If in the judge's opinion a dog in the ring is lame, he shall withhold all awards from such dog and shall excuse it from the ring. A dog so excused shall not be counted as being present for the purpose of championship ratings, When a judge excuses a dog from the ring for lameness, he shall mark his book "Excused - lame".

SECTION 4. Entries must close at the time stated in the premium list; but entries received by post within seven days after that date and clearly postmarked not less than four full working days prior to entry closing date may be accepted provided, in the case of a limited entry, the limit has not already been reached. A club accepting an entry in violation of this Rule shall be subjected to a fine as determined annually by the Board of Governors for each entry so accepted. After entries close the entry forms shall be made available for inspection by a Representative appointed by the Board of Governors, if the Board so desires.

Tendering of a NSF cheque shall be considered non-payment of entry fees and is an offence punishable by disciplinary action and cancellation of awards.

SECTION 5. Electronic entries must give the same information as required by Section 1 of this Chapter and the entry fee paid prior to entering the show ring.

SECTION 6. Every entry must be printed in the catalogue, errors or omissions on the part of management or printers excepted. Where an entry is not printed in the catalogue, the show giving club shall provide proof that said entry was taken before the closing date.

SECTION 7. Every dog entered in a show shall be the property of the person making its entry, and the right to exhibit a dog cannot be transferred. If an entry is made in the name of an agent and the name of the owner is not given, all wins of the dog at the show shall be cancelled. If a dog is entered in the name of an association, the name of the association and the names of its signing officers shall appear on the entry form at the time of making such entry.

SECTION 8. No entry shall be accepted from any person who is not in good standing with The Bermuda Kennel Club or show giving club, on the day of the closing of entries, nor may an entry be accepted from any person who has failed to pay any fine levied under these Rules.

A list of persons not in good standing with The Bermuda Kennel Club, or who have failed to pay any fine levied under these Rules, shall be supplied to each show giving club on receipt of the required copies of the Premium List. The Show Secretary shall be responsible for seeing that this list is returned to The Bermuda Kennel Club after the show as laid down in Chapter 23, Section 1 of these Rules.

SECTION 9. If clerical errors are made in entering a dog at a show, such as the incorrect name of the dog, registration number of the dog, name of the breeder, country of birth, date of birth, sire or dam of the dog, the exhibitor shall be advised of his mistake and, if he shall again offend after being so advised, a fine as determined annually by the Board of Governors shall be imposed for each such offence. Failure to pay any fine levied by The Bermuda Kennel Club shall automatically debar such person from entering or exhibiting dogs at subsequent shows held under these Rules until the fine has been paid to The Bermuda Kennel Club. Owners are responsible for errors in making out entry forms, no matter who may make such errors.

SECTION 10. Except as provided below, change in the entry of a dog, cancellation of an entry or substitution of another dog is specifically prohibited after the closing date of entries as published in the premium list, and any infraction of this rule shall mean automatic cancellation of any wins made through such alterations.

Where, according to the records of its owner or handler, a dog entered in a show or series of shows has completed the points requirements for its championship after the closing of entries, but this has not yet been confirmed by The Bermuda Kennel Club, the dog may upon request to the Show Superintendent be transferred from the official class(es) to BEST OF BREED competition provided said dog is individually registered with The Bermuda Kennel Club. Such request must be made in writing on a Transfer of Entry form provided by The Bermuda Kennel Club, which must be filed with the Show Superintendent not less than one-half hour prior to the start of all judging at the subsequent show(s) of the series. No dog may otherwise be transferred to another class. Should the owner or handler be mistaken in computing the dog's points and the dog compete in BEST OF BREED competition before it actually has the required points, any wins made at that show(s) will be automatically cancelled.

SECTION 11. Except as provided in this Section, the ownership of a registered dog entered in a show must be as recorded in the registration files of The Bermuda Kennel Club.

A registered dog which has been acquired by some person other than the owner as recorded with The Bermuda Kennel Club may be entered in the name of its new owner at any show, but application for transfer of ownership must be sent to The Bermuda Kennel Club within thirty days after the last day of the show or the wins of said dog at that show will be cancelled. Any unavoidable delay in meeting the requirements of this rule must be acceptable to The Bermuda Kennel Club if any wins made by the dog at the show are to remain recorded.

SECTION 12. If the name of a dog which has been listed with The Bermuda Kennel Club and which has won a prize at any show shall be subsequently changed, the former name as well as the new name shall be given on the entry form for any subsequent shows and shall be published in the catalogue of such subsequent shows until such time as the dog shall have been awarded a prize in one of the official classes of The Bermuda Kennel Club under its new name, whereupon its former name may be dropped.

SECTION 13. No Bermudian entry may be made under a kennel name unless the kennel name has been registered with The Bermuda Kennel Club.

SECTION 14. No dog may be entered at a show held under these Rules if it:

- (a) has distemper or other communicable disease;
- (b) has had distemper or any other communicable disease unless it has been fully recovered for thirty days;
- (c) is known to have been in contact with distemper or other communicable disease within thirty days of the show;
- (d) has been kennelled on premises on which there existed distemper or other communicable disease within thirty days of the show.

Any infraction of any part of this Section shall subject any exhibitor or agent to disciplinary action by the Board of Governors. Any complaint alleging an infraction of this rule may be made directly to the Board of Governors providing it is made within fourteen days after the show at which the infraction is alleged to have occurred.

SECTION 15. Dogs not regularly entered in a show shall not be allowed within the show grounds unless engaged as a special attraction with the approval of The Bermuda Kennel Club. In no case may a dog under six months of age be allowed within the show precincts.

SECTION 16. The authorities of any show may decline to accept entries and may refuse to receive or may remove any dog from the show grounds on account of disease or viciousness. A club declining such an entry or ordering the removal of a dog from its show grounds must report all such matters to The Bermuda Kennel Club within two weeks after the show. The reason for such action must in each case be stated when reporting to The Bermuda Kennel Club. No one shall have any claim or recourse against the organization holding the show or any official connected therewith for the refusal of such an entry.

SECTION 17. The show giving club shall notify the person making the entries that the entries have been received. The notification shall also state whether or not the entries have been accepted, and in case of non-acceptance, the fee shall be returned and the reason for non-acceptance shall be stated.

The club must also send out in advance to every exhibitor an identification card and judging programme indicating the approximate time that the breeds will be judged

SECTION 18. NO ENTRY FEES WILL BE REFUNDED if the Shows cannot open or be completed by reason of riots, civil disturbances, fire, extreme and/or dangerous conditions, an Act of God, public emergency, strikes, hurricanes or any other cause beyond the control of the Club or the Show Superintendent.

Chapter 12 Judges

SECTION 1. Judges officiating at shows held under these Rules shall be governed by the standards of the breeds as adopted by The Bermuda Kennel Club.

SECTION 2. A judge shall not exhibit his dogs or take any dog belonging to another person into the ring at any show at which he is officiating as judge.

SECTION 8. A judge's decision shall be final in all cases affecting the merits of the dogs. Full discretionary power is given to the judge to withhold any awards or prizes for lack of merit. After a class has been judged in accordance with these Rules, it shall not be re-judged. A class is considered judged when the judge has marked his book which must be done before the next class is examined. If any errors have been made by the judge in marking the awards as made, he may correct the same but must initial any such corrections. The awarding of a first prize in any class shall not obligate the judge to award Winners or other higher awards if he feels that such an award should be withheld. Where a judge has withheld a first prize ribbon in any class for lack of merit, he must withhold the following awards from any and all dogs in that class: Winners, Reserve Winners, Best of Winners and/or Best of Breed.

SECTION 9. A dog that is lame may not compete at any show. It shall be the judge's responsibility to determine whether a dog is lame. He shall not obtain the opinion of the show veterinarian. If in the judge's opinion a dog in the ring is lame, he shall withhold all awards from such dog and shall excuse it from the ring. When a judge excuses a dog from the ring for lameness, he shall mark his book "Excused - lame".

SECTION 10. A dog that in the opinion of the judge menaces or threatens or exhibits any sign that it may not be safely approached by the judge or examined by the judge in the normal manner shall be excused from the ring. When the judge excuses the dog, he shall mark the dog "excused", stating the reason in the judge's book.

SECTION 11. A dog that in the opinion of the judge attacks any person in the ring shall be disqualified. When the judge disqualifies the dog, he shall mark his book "disqualified - vicious".

SECTION 12. If a judge disqualifies or excuses a dog at any show, he shall make a note in the judge's book giving his reasons. In computing the championship points for a breed, this dog shall not be counted as having been present at the show.

SECTION 13. A judge may order any person or dog from the ring. For the purpose of facilitating the judging. Judges are required to exclude from the ring in which they are judging all persons except the steward or stewards, the show attendants assigned to the ring and those actually engaged in exhibiting.

SECTION 14. After the closing of the show, a clerical error appearing on the judge's book may be corrected by The Bermuda Kennel Club after consultation with the judge.

SECTION 15. No person may approach a judge to favour his entries, either directly or otherwise, orally or in writing. Disciplinary action will be taken against any person who violates this rule or against any judge who fails to report to The Bermuda Kennel Club, within two weeks of the act, any contravention of this rule.

SECTION 16. Any complaint against a judge must be accompanied by a fee as determined annually by the Board of Governors. The Board of Governors shall determine the procedure to be followed in the handling of a complaint against a judge.

SECTION 17. A show giving club shall request the co-operation of the officiating judge in dealing with apprentice judges.

Chapter 13

Officials and their Duties

SECTION 1. Only those persons in good standing with The Bermuda Kennel Club may act in any official capacity at a dog show held under these Show Rules. Any person or persons acting in any official capacity, paid or unpaid, including that of judge, secretary, superintendent, steward, clerk of a show, or as an officer or member of a show committee of any club holding a show under these Rules, shall be subject to disciplinary action at the discretion of the Board of Governors of The Bermuda Kennel Club.

SECTION 2. The show committee of a club holding a dog show must elect whether all dogs are to be inspected in respect to their apparent health before being admitted to the show or whether dogs will be allowed to enter the show's premises without such inspection. If the show committee decides that all dogs are to be inspected, the designation "Examined Show" shall be printed on the title page of the premium, list and catalogue. An "Examined Show" is one at which each dog is subject to a health inspection by one of the show's veterinarians before being allowed to enter the show's premises.

SECTION 3. At an "Examined Show" the veterinarian shall sign every identification card after examining the dog covered by the identification card before the dog can be admitted to the show premises. Veterinarians shall be furnished with a receptacle containing a proper disinfectant for use after handling each dog. A veterinarian who desires a dog's mouth to be opened may request the owner or person in charge to open it.

SECTION 4. When requested by a judge to determine the physical condition of a dog, the show veterinarian shall immediately record his decision in writing on a form provided by The Bermuda Kennel Club, giving the basis for his opinion.

SECTION 5. A report of any infraction of these rules must be made to the Board of Governors of The Bermuda Kennel Club within ten days after the closing of the show.

Chapter 15

Disqualifications

SECTION 1. A dog which is blind, deaf, spayed, neutered, dyed or which has been changed in appearance by artificial means except as specified in the standard for its breed, or a male which does not have two normal testicles located in the scrotum, may not compete at any show and will be disqualified.

Dogs shall not be disqualified because they have been spayed and neutered when they are competing in:

- a) Best of Breed competition, and they are Bermuda champions of record aged 7 years or older,
- b) Veterans class,
- c) Spayed and Neutered class,
- d) Junior Showmanship competition.

A dog will not be considered to have been changed by artificial means because of cropping of ears, removal of dew claws, or docking of tail if it is of a breed in which such cropping, removal or docking is a regularly approved practice which is not contrary to the standard. Dogs with uncropped ears and undocked tails to be judged without penalty.

When a judge finds any of these conditions in any dog he is judging, he shall disqualify the dog marking his book "Disqualified" and stating the reason. He shall not obtain the opinion of the show veterinarian.

When a dog has been disqualified under this rule or under the standard for its breed, either by a judge or by decision of a show committee, any awards at that show shall be cancelled and the dog may not again be shown unless and

until, following application by the owner to The Bermuda Kennel Club, the owner has received official notification from The Bermuda Kennel Club that the dog's show eligibility has been reinstated. The Bermuda Kennel Club will not entertain any application for reinstatement of a male which has been disqualified as not having two testicles located in the scrotum until the dog is twelve months old.

SECTION 2. A dog that in the opinion of the judge attacks, or attempts to attack, any person in the ring shall be disqualified. When the judge disqualifies the dog, he shall mark his book "Disqualified - vicious". When a dog has been disqualified under this rule, any awards at that show shall be cancelled and the dog may not again compete in any event held under Bermuda Kennel Club Rules unless and until, following application by the owner to The Bermuda Kennel Club, the owner has received official notification from The Bermuda Kennel Club that the dog's eligibility to enter such events has been reinstated.

SECTION 3. The administration in any form, of a drug or substance whose action alters the condition of a dog competing at a show with the intention of misleading the judge will be considered serious misconduct in the opinion of the Board of Governors. The person or persons responsible will be subject to disciplinary action in accordance with the rules of The Bermuda Kennel Club and the dog shall be barred from the show.

SECTION 4. The Board of Governors shall have the power to take disciplinary action against any person violating the provisions of this Chapter.

Chapter 16 The Catalogue

SECTION 1. Every club holding a show must provide a standard catalogue which shall be of an approved size and form and contain such information as may be ordered by the Board of Governors.

Chapter 17 The Dogs and their Exhibitors

SECTION 1. The organization holding a show under these Rules may prescribe rules with regard to benching of dogs at its show, provided such rules do not conflict with these Dog Show Rules. Failure of an exhibitor or handler to comply with such rules shall be considered the same as if the exhibitor or handler had failed to comply with these Dog Show Rules.

Failure to comply with such rules may cause cancellation of the dog's wins at that show, and subject the owner and/or handler to a fine or deprivation of the right to participate in events held under the Rules of The Bermuda Kennel Club.

SECTION 2. Except as provided below, only the Show Superintendent may excuse either dogs or exhibitors from the show. All permits issued by veterinarians excusing dogs from the show must be approved by the Show Superintendent before being valid, save that it shall be obligatory for him to endorse a permit issued by the attending veterinarian for a dog excused because of illness.

Where a dog is excused by the judge, the notation in the judge's book shall be endorsed by the Show Superintendent.

A dog may be removed from the show after it has been judged provided it is not eligible for further judging, as provided in these Rules, in any breed class or for any group awards carrying championship points.

No dog excused by the Show Superintendent for any reason shall, after being excused, compete in any class or for any award other than Junior Showmanship classes/awards for the balance of the show.

When a dog has been excused either by the Show Superintendent or the Show Veterinarian, the former shall make a notation in the judge's book stating the reason for the excuse. The judge shall thereafter refuse to accept that dog for further competition.

Dogs entered in an obedience trial held in conjunction with an all-breed show are subject to all the rules regarding "dogs" as stated in these Dog Show Rules.

SECTION 3. Where a request is made, before the judging of a class, by any competing handler or exhibitor at the

show, or during the judging by the officiating judge, for the determination of the height or weight of any dog, the measuring or weighing shall be done at a suitable location on the show grounds by the Show Superintendent by the use of an effective measuring or weighing device and shall be done only in the presence of;

- (a) the owner or handler of the disputed dog;
- (b) the person registering the request for determination of the height or weight; and
- (c) one witness, to be chosen by the Show Superintendent.

The result shall be recorded on a form provided by The Bermuda Kennel Club. The form shall be signed by the Show Superintendent and shall be valid at the time of judging at the show. This report shall be forwarded to the Secretary of The Bermuda Kennel Club, and shall be prima facie evidence of the height or weight of the dog at that show. The decision of the Show Superintendent shall be final in the determination of height or weight and only be valid at the show at which it was made, and shall in no way determine the eligibility or ineligibility of a dog to be entered at a subsequent show or its height or weight at a subsequent show.

The request for determination of height or weight may be made by a person exhibiting in a breed other than the one wherein he has requested the measuring or weighing of an entry.

SECTION 4. If the catalogue and/or the judge's book of any show shall be in error or by mistake set forth any information contrary to the information which appears on the entry form of the dog for that show, the superintendent or secretary of the show, upon request of the owner or handler of the dog prior to the judging, shall correct the entry in the judge's book and in the marked catalogue to be sent to The Bermuda Kennel Club, and this dog properly may compete in all classes and for all prizes for which the entry form discloses it was properly entered.

SECTION 5. The show giving club shall provide one free exhibitor's pass for each dog entered.

SECTION 6. Any club which gives a dog show must send out in advance to every exhibitor an identification card and a programme showing the time scheduled for the judging of the first breed in each group and the time Group judging and Junior Showmanship competition will commence. This judging programme shall be adhered to as nearly as possible. No breed, group or class shall be judged prior to the time stated on the judging programme. Identification cards must be in such form, of such size, and contain such information as may be ordered by the Board of Governors.

SECTION 7. It is the responsibility of the handler of a dog to be at ringside when his class is called for judging. If a handler is showing more than one dog, he must make provision for adequate assistance to ensure that there is no delay in judging.

SECTION 8. No person handling a dog in the ring may smoke while doing so.

SECTION 9. Badges, club pins or coats with kennel names thereon, or ribbon prizes shall not be worn or displayed, nor shall other visible means of identification be used by an individual when exhibiting a dog in the ring.

SECTION 10. Should it come to the attention of the Show Superintendent that any of the foregoing rules have been infringed upon, it shall be his duty to take immediate action to correct the situation by suitably instructing the person in question. It is not necessary for the Show Superintendent to receive any form of formal protest before enforcing these rules.

SECTION 11. Any person, either within or outside the judging ring, who does anything calculated to attract or distract or otherwise interfere in any way with the attention or deportment of a dog under judgment may be disciplined by the Board of Governors in whatever way it considers in the best interest of the club or the judge may take summary action.

SECTION 12. A judge officiating at a show held under these Rules shall not be subjected to indignities of any kind during the progress of the show. It shall be the duty and obligation of the club holding the show to see that this rule is effectively carried out.

Chapter 18 Equipment and Facilities

SECTION 1. Any club giving a dog show must provide standard arm bands with numbers that can be clearly seen from the ringside. Every exhibitor in the ring must wear an arm band bearing the catalogue number of the dog being exhibited.

SECTION 2. Any club giving a dog show must provide in every ring, first, second, third and fourth place placards in order that the judge may place the dogs according to his awards.

SECTION 3. Judging rings shall have flat, level surfaces and provide secure footing for dogs and exhibitors. Rings must be enclosed by a guard rail or rope at least two feet in height, be of adequate size for the proper gaiting of all dogs exhibited therein, and accommodate comfortably the probably maximum number of dogs and exhibitors in the ring at any one time.

SECTION 4. At outdoor shows, adequate facilities must be provided for an indoor or covered judging ring in the event of inclement weather.

SECTION 5. The show giving club must provide adequate exercising space and an ample supply of clean water for the dogs entered at the show; a special place for the convenience of exhibitors and handlers desiring to clean and prepare their dogs; and adequate sanitary facilities for the exhibitors.

SECTION 6. The show giving club must take adequate steps to ensure orderliness and cleanliness during the show.

SECTION 7. The show giving club must provide a measuring standard and weighing device and must have available through the show committee at least one complete copy of the Dog Show Rules of The Bermuda Kennel Club and a copy of all the standards of the breeds recognized by The Bermuda Kennel Club or, in the case of a Specialty Show, The Bermuda Kennel Club standards for the breeds for which the show is being held.

SECTION 8. Judges must be provided with judge's books as authorized by the Board of Governors of The Bermuda Kennel Club.

SECTION 9. Judges must be provided with water, towels and disinfectant in the ring at all times.

SECTION 10. Where the dogs entered at a show are to be benched, the show giving club must provide adequate benching and/or cages for every dog entered. Signs must be posted over the breeds indicating the breeds benched in each row of benching. Signs must be posted advising the public not to handle the dogs in any way, stating that they do so at their own responsibility if such notice is disregarded.

SECTION 11. The show giving club will be held responsible during the show for the conduct of exhibitors and spectators. Any person acting in an objectionable manner must be removed from the show on complaint to the Show Superintendent.

SECTION 12. The show giving club shall supply a large board on which to post the "Office Copy" from the judge's book, bearing a carbon copy of the judge's signature, as soon as the judging of the breed is completed, in order that the exhibitors may mark their catalogues. If an error is noted, it should be reported immediately to the Show Superintendent.

Chapter 19 Cancellations

SECTION 1. If an ineligible dog has been entered in any show, or if shown in a class for which it has not been entered, or if its entry form is deemed invalid or unacceptable by The Bermuda Kennel Club under these rules, all resulting awards shall be cancelled.

Where a dog has been entered in an official class for which it is ineligible, any awards received in that class by that dog shall be cancelled and, where the dog did not receive an award in any official class for which it is eligible for entry, then all other awards received by the dog at the show shall be cancelled. If a dog is shown in the name of a person who is not recorded as the owner of the dog, all wins made by the dog when shown in the name of a person in whose name a dog is not recorded in the records of The Bermuda Kennel Club shall be cancelled unless application for the transfer of ownership is made within 30 days after the last day of the show. Any unavoidable

delay in meeting the requirements of this rule must be acceptable to The Bermuda Kennel Club if any wins made by the dog at the show are to remain recorded.

In computing championship points ineligible dogs, whether or not they have received awards, shall be counted as having been present.

Where any violation of any Dog Show Rule has taken place in the opinion of the Board of Governors, the Board shall have the power to declare the cancellation of all awards earned by the dog at the show in connection with which such violation occurred.

Where any protest is sustained by a show giving club and/or the Board of Governors as provided in Chapter 20, "Protests", the Board of Governors shall have the power to order the cancellation of any wins earned at that show by the dog or dogs concerned with such protest. The cancellation of all wins and awards shall automatically include cancellation of all prizes received in connection with such awards.

SECTION 2. If the win of a dog shall be cancelled, the dog next in order of merit shall be moved up, providing the next in order of merit is obvious from awards made by the judge. The win of the dog moved up shall be counted the same as if it had been the original award and, on being advised by The Bermuda Kennel Club, the Show Secretary will issue the appropriate ribbons and other prizes to the owner of such dog. Where the awards of the dog moved up include Winners Dog or Bitch, Best of Breed and/or Best of Winners, the dog shall be awarded championship points based on the number of dogs which it actually defeated directly or indirectly in its breed competition.

SECTION 3. If the win of a dog shall be cancelled by the Bermuda Kennel Club, the exhibitor or entrant of the dog shall return all prizes and ribbons which have been received for its win to the Secretary of the show giving club within one month of the date of the notice of cancellation from The Bermuda Kennel Club. Failure to comply with the Board's order to return ribbons and/or prizes to the club(s) concerned automatically renders the owner of the dog ineligible to enter any dog in any event held under Bermuda Kennel Club rules for such period as the Board of Governors may determine.

SECTION 4. An owner connected with the perpetration of a fraudulent act shall be deprived of all privileges of The Bermuda Kennel Club. The Board of Governors is, however, empowered to use discretion in the enforcement of this penalty to protect innocent parties.

Chapter 20 Protests

SECTION 1. A protest against a dog may be made by an exhibitor, entrant or any member of The Bermuda Kennel Club or of the show giving club. It shall be in writing and where the protest calls for a decision as to the physical condition of a dog which can be determined only by the veterinarian or at the time of showing, it must be made before the closing of the show. Any protest made during the course of the show must be lodged immediately with the Show Superintendent. A protest made after the closing of the show must be lodged with the Show Secretary within ten days of the last day of the show(s). All protests must be forwarded to the Secretary of The Bermuda Kennel Club within ten days of receipt by the show giving club.

No protest will be entertained unless accompanied by a deposit as determined annually by the Board of Governors, which will be returned if the protest is sustained. This does not apply to protests by The Bermuda Kennel Club, nor to a protest made in the ring previous to the rendering of the judge's decision.

If no appeal is submitted to The Bermuda Kennel Club within ten days after notification, the Board of Governors may take such action as it deems fit in connection with such protest. Such action may include a reprimand, imposition of a fine, and/or cancellation of awards.

SECTION 2. An appeal to The Bermuda Kennel Club against a decision of a show committee where a dog has been protested may be taken and shall be forwarded to The Bermuda Kennel Club within ten days of the date on which the decision was rendered, together with a deposit as determined annually by the Board of Governors. If the decision is sustained, the deposit shall be forfeited, but if reversed, the deposit shall be returned.

SECTION 3. If a protest is made during the holding of a show, the show committee shall hold a meeting within fourteen days and give all parties concerned an opportunity to be heard and shall render its decision at once. If a protest is made subsequent to the show, it shall be decided by the show giving club within thirty days of its receipt.

Due notice of the date and place of hearing shall be given to all parties concerned. Written copies of all decisions on protests shall be forwarded immediately to The Bermuda Kennel Club.

Where the show committee consists of more than five persons, the President of the show giving club shall name five members of the show committee to act on any protest received by the show giving club.

SECTION 4. If the show giving club fails to hear a protest as described above or, in the opinion of the Board of Governors, handles a protest improperly, the Board of Governors shall have the power to take such action as it deems fit and necessary. It may at the same time take disciplinary action against the officials of the show giving club.

SECTION 5. In the event of a protest being filed in accordance with this Chapter, the Show Superintendent shall, immediately upon receipt of such protest, and provided the judging of the dog or dogs concerned is not completed, request the judge to select reserve numbers so that any prize which would be affected by any disqualification of the protested dog can be awarded.

Chapter 21 Discipline

SECTION 4. At the discretion of the Board of Governors, the suspension of a member, or the denial of privileges to a non-member, may be retroactive to the date on which the offence occurred. The Board, at its discretion, may order the cancellation of any or all wins earned by any dogs owned by a person or persons suspended or denied the privileges of The Bermuda Kennel Club when such wins were earned following the date on which the offence occurred.

Any person availing himself of the privilege of participating in any manner and in any capacity, including that of spectator, at a competitive event held under these Rules shall, by such participation, be deemed to have agreed to the authority of The Bermuda Kennel Club and its Board of Governors.

SECTION 3. SECTION 4. In this Chapter, the following interpretations shall apply:
